## From The Director's Desk

I would like to extend a warm welcome to all the Students aspiring to make their career in creative, Media and Entertainment Industry. I am proud to welcome you to one of the most vibrant and inspirational places of learning.

At MAAC Vasai and Virar, our Students come first and their personal and professional development is our primary focus. Our unique educational approach and distinguished academic curriculum ensure that Students excel at whatever they chose to do.

We offer wide range of innovative and interdisciplinary curriculum that prepare you for the jobs of the future. We also help you turn your passion into rewarding life and a fulfilling career.

What makes us unique is our talented Creative Trainers, the Career Counsellors and devoted staff who all share a common passion and desire to make a difference in every students life. We go out of the way to support students in delivering their curriculum at required pace, giving them expert 1-1 guidance, conducting re-lectures, personal assistance during lab practical sessions.

We provide best Services, highly equipped Infrastructure with latest configuration machines and updated versions of licensed software, Industry Expert Workshops, Personality development / soft skills session by experienced IT professionals, 100% Placement assurance with training and support on interview process, Parent Teacher Meet, etc. Students are under constant guidance and surveillance of Team having over 15+ years of experience.

My Primary objective is to identify and develop the immense talent pool in and around the region by providing them a conducive environment with State of the Art classroom and world class technology. Further giving them personal time for counselling / guidance based on their competencies and making them Job ready. I look forward to welcoming you to an enjoyable, enriching and rewarding journey with the MAAC Vasai-Virar Family!
